How to Create Your Wiki Hero Page on Wiki.ForYouPage.Org

- Sign Up or Log In
  - If you don't have an account, click the "Sign Up" button in the top right corner.
  - If you already have an account, click "Log In" instead.

- Navigate to the Youth Leaders & Advocates Book
  - Click on "Books" in the top navigation bar.
  - Find and select the "Youth Leaders & Advocates" book.
- Create a New Page
  - Look for a "Create Page" or "+" button within the book.
  - Click this button to start a new page.
- Name Your Page
  - Enter your full name as the title of your page.
- Edit Your Page
  - You'll be taken to an editing interface.
  - Use the toolbar to format your text (bold, italic, headings, etc.).
- Add Your Content Include the following sections:
  - Name: Your full name
  - Contact: Your preferred method of contact (e.g., LinkedIn profile)
  - Work: A brief description of your advocacy work
  - Affiliated Organizations: List any organizations you're associated with
  - Projects: Describe your current or past projects
  - Needs/Support: Mention any help or resources you're looking for
- Add a Profile Picture
  - Look for an "Add Image" or "Upload" button.
  - Select and upload a profile picture.
- Save Your Page
  - Look for a "Save" or "Publish" button, usually at the top or bottom of the editing interface.
  - Click this button to make your page live.
- Review and Edit
  - After saving, review your page to ensure everything looks correct.
  - If you need to make changes, look for an "Edit" button, usually near the top of the page.
- Share Your Page
  - Once you're happy with your page, you can share the URL with others or on social media.
