

FYP Virtual Gathering: One-Page Executive Summary

Overview

FYP will convene a small, high-impact virtual focus group series to:

1. **Co-create a Collaborative White Paper** on the top youth mental health challenges and solutions.
2. **Lay the Groundwork for a Consulting Firm** that leverages our youth-led network to offer expertise to funders, NGOs, and tech entities.

This plan builds momentum for FYP's annual summit and positions us as a central node in youth mental health.

Key Outcomes

1. **Collaborative White Paper**

 - **Value:** Demonstrates collective expertise, serves as a pitch document for funders and partners.
 2. **Consulting Firm Formation**
 - **Services:** Policy advising, youth engagement strategy, user-centered design feedback.
 - **Revenue:** Earns fees from corporate/philanthropic clients, reinvests into FYP's mission.
-

Proposed Timeline & Milestones

1. **Initial Virtual Sessions (Mar-Apr)**
