3. Events,
4. Give Youth a Platform

- what's their current program/project

1. Timely
 1. Timely is a skill-sharing platform that connects users with others locally based on mutual skills, hobbies, or activities and helps coordinate a time/place to do them together.
 2. <https://lookup.live/timely>
2. Write it Down
 1. Communicating the power of journaling to be an agent of self comprehension and healing.
 2. <https://lookup.live/writeitdown>
3. Ctrl + Z: The Climate Mental Health Podcast
 1. Winners of the exposure labs storytelling grant
 2. Youth are carrying the burden of the world's future and being asked to fix it. Ctrl+Z: The Mental Health podcast takes a deep dive into the intersecting issues that youth are grappling with and centers stories about youth resilience in the face of the climate crisis.

3. <https://lookup.live/ctrlzpodcast>

4. GoYogi

1. We aim to increase access to proactive, mindfulness-based mental health education. Utilizing technology, GoYogi works to integrate custom stress management techniques, breathing exercises, and mindfulness practices directly into the school's culture and curriculum.

2. <https://lookup.live/goyogi>

5. Growing Digital with Jules Terpak

1. Winners of the exposure labs storytelling grant

2. Growing Digital with Jules Terpak is a media platform that helps people understand how human-computer interaction is evolving.

6. Highlight Reel

1. Who's behind the highlight reel? Highlight Reel is an exhibit exploring how the perfected versions of ourselves that we post on social media are only a fraction of the picture.

2. <https://lookup.live/highlightreel>

7. Impact Playground

1. Winners of the exposure labs storytelling grant

2. Impact Playground aims to develop personalized and comprehensive social-justice education that empowers and equips youth to pursue diverse pathways to social impact.

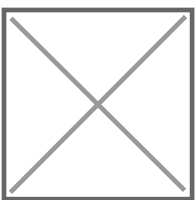

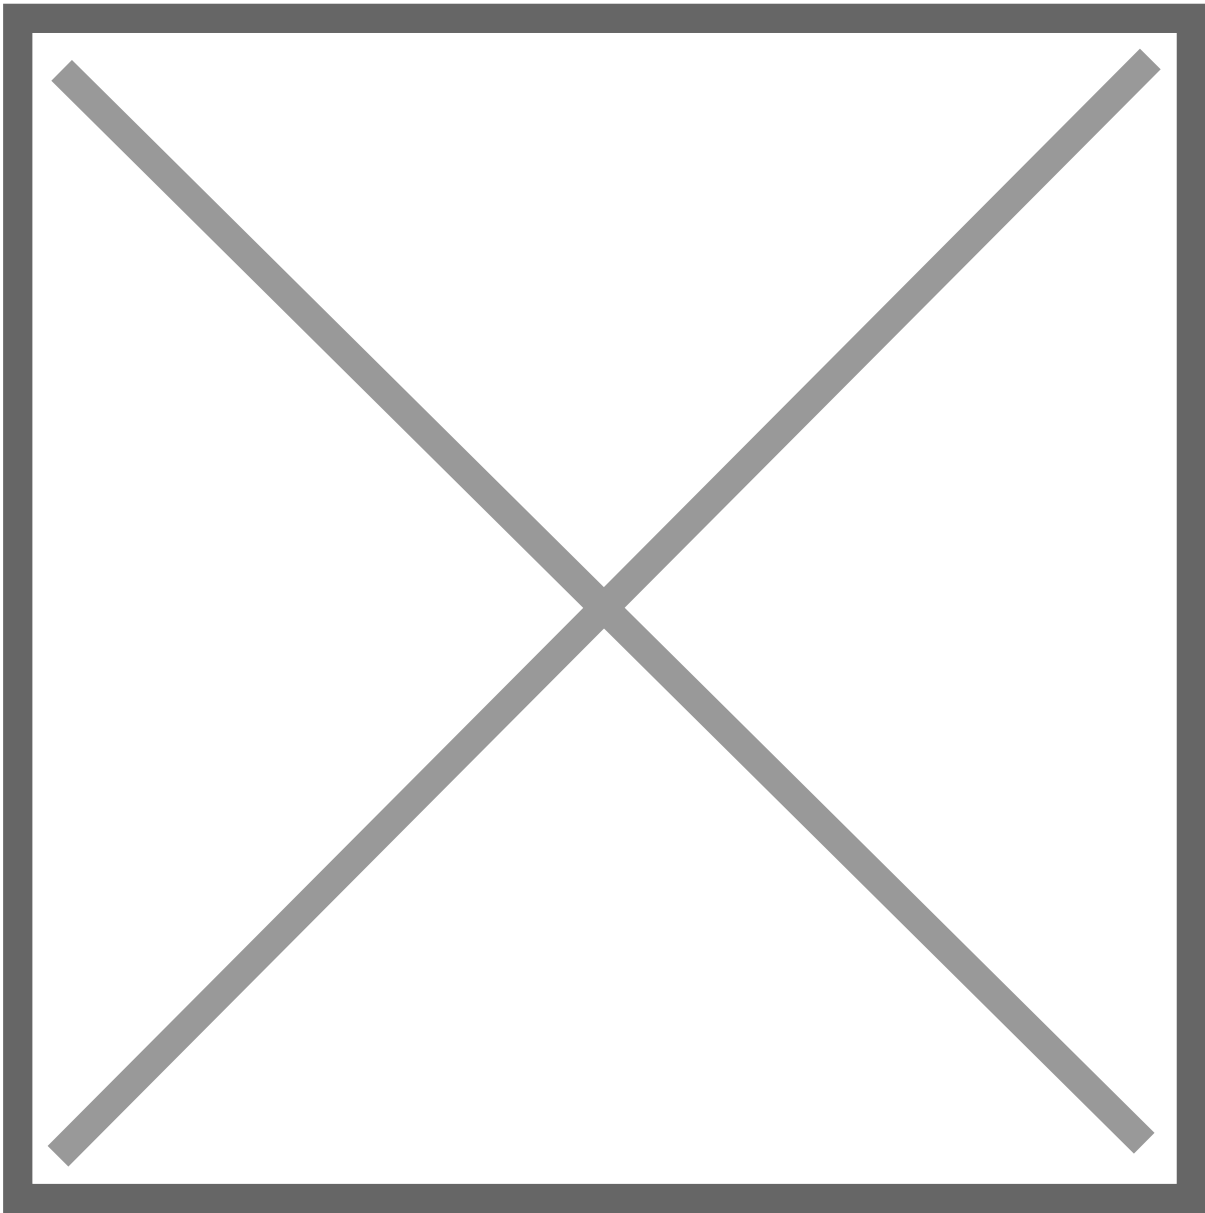

3. <https://lookup.live/impactplayground>

8. Know The System

1. We are a collective of activists that utilize the power of storytelling to shift the narrative on mental health and advance real solutions through policy, culture, and communication.

2. <https://lookup.live/knowthesystem>

9. Others

- whats their organizational structure
 - Like Apex center at VT
- who fund them
- what else stands out
